SPEAK UP FOR LIFE

WHEN SOMEONE SAYS......
“I am personally opposed to abortion, but I don’t think I should impose my morality on others.”

YOU SAY......
Substitute any of the following words in place of the word “abortion” in the above sentence:
stealing, child abuse, rape, murder, slavery.
How would anyone in today’s society react to such statements?
The fact is, all laws in our society impose standards that reflect morality.
